CodeRED

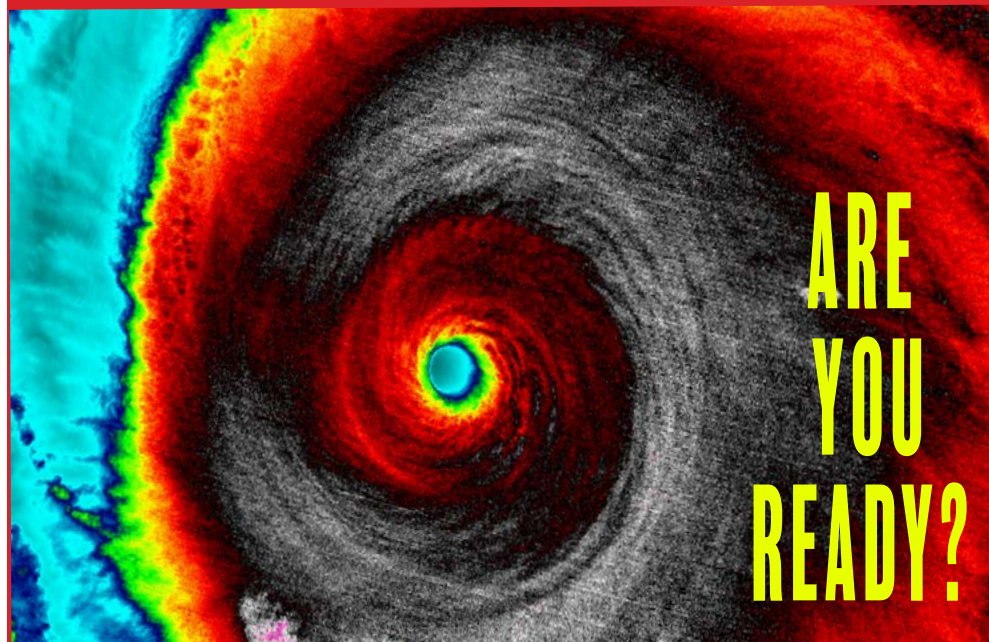

A critical component of emergency management is the emergency telephone notification system, CodeRED. CodeRED alerts residents of emergency situations ranging from evacuation notices to boil water advisories. Notifications are sent via voice, text and email. You may also sign up for the CodeRED Severe Weather warning system which alerts residents of severe weather patterns.

To Register:

* **For Seabrook Residents:** Visit www.townofseabrookisland.org. Click Emergency Preparedness, Click CodeRED and follow the prompts to set up your account.

* **For Kiawah Residents:** Visit www.kiawahisland.org. Under residents tab, click Emergency Preparedness and follow the prompts to set up your account. If you need assistance, contact Stephanie Braswell Edgerton at (843)768-9166.
