

Finding FEMA Flood Map Information Online

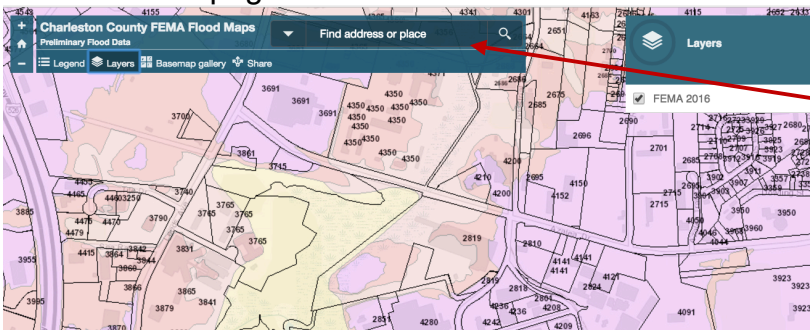

Go to www.charlestoncounty.org. You will see a page like this:

Scroll down below the rolling images and press the third button, FEMA Flood Maps "New Preliminary FEMA Flood Data"

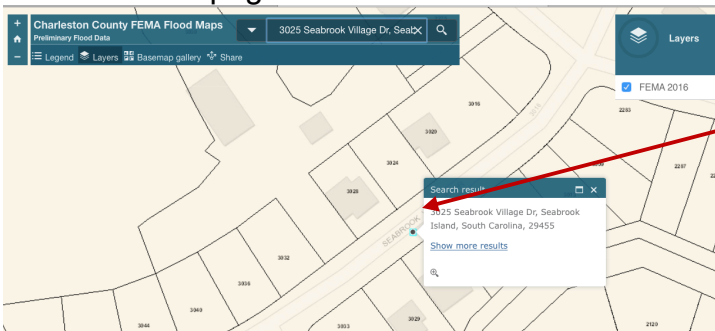

OR, go to <http://arcg.is/2rjW0wJ>

You will see a page like this:

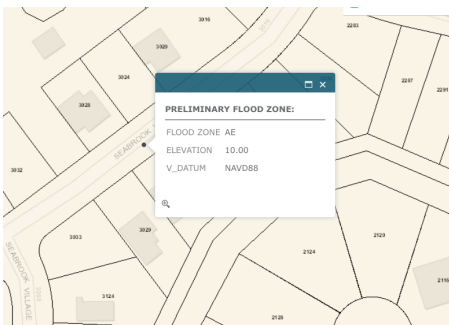

Enter property address in the bar at the top of the screen, then press enter, or click on the magnifying glass.

You will see a page that looks like this:

Click on the blue square with a black dot representing your address and the data for your address is revealed as shown in the image below.

Preliminary Flood Data for your address
