

SEA ISLANDS HUNGER AWARENESS FOUNDATION

\$100,000 HUNGER AWARENESS MATCHING CHALLENGE FOR 2026

The Sea Islands Hunger Awareness Foundation (SIHAF) is grateful for our loyal sponsors who offered to match our \$100,000 Hunger Awareness Matching Challenge in 2026.

Rooted in community and nourished by compassion, SIHAF's 3 programs and 11 partners keep nutritious food and clean water within reach for more than 2500 neighbors on Johns and Wadmalaw Islands. Many of these families and elderly living alone live under the poverty level and face the threat of hunger every day. Many have lived in the area for generations. Others are new and have come to the islands looking for work and stability. Each month, the number of local neighbors we serve increases.

As we approach the "Season of Giving," we invite you to join The Matching Challenge to raise awareness & critical funds necessary to support SIHAF's programs & partners for the coming year.

Together our community can alleviate hunger and build stronger futures.
